**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

In accordance with the provisions of 37 C.F.R. §§1.97 and 1.98, Applicant and his attorney respectfully request that the following documents be made of record in the official United States Patent and Trademark Office file relating to the above-identified application which has been allowed. The citation of these documents should not be construed as an admission that they constitute statutory prior art with respect to the present invention.

**Foreign Patent Publication Nos.**

RU 2 196 519  
RU 2 232 562  
BY 2 664

**Non Patent Literature**

Kulakov, V. I. et al., "Operative Gynecology A Manual for Physicians", The NGMA Publishing House, 1998, pp. 306-307.

Foreign patent publication Nos. RU 2 196 519 and RU 2 232 562 are in the Russian language and are submitted with their official English-language abstracts published by the Russian patent office. Foreign patent publication No. BY 2 664 is in the Byelorussian language and is submitted herewith with an English-language translation of the abstract published by the Byelorussian patent office. The cited pages of the non-patent literature reference are in the Russian language and are submitted with an English-language translation of those pages. Applicant's attorney and the Assignee of the present application have reviewed the aforesaid English-language abstracts and translations, and, on that basis, believe that the references submitted herewith are no more relevant than those previously cited in the present application.

The above-cited references were made known to Applicant more than three months ago by a foreign patent office in a foreign counterpart of the present application. Applicant acknowledges that consideration of references submitted to the United States Patent and Trademark Office under such circumstances is not available as a matter of right after allowance of an application. If the Examiner should decline to consider these references, Applicant's attorney respectfully requests that they be placed in the official United States Patent and Trademark Office file relating to the present application without such consideration.

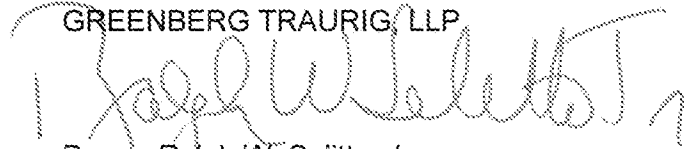

In order to facilitate the Examiner's citation of the documents listed above, Applicant's attorney has completed United States Patent and Trademark Office Forms

PTO/SB/08A and PTO/SB/08B. The completed forms are attached hereto for the Examiner's convenience.

Applicant's attorney believes that no fee is due in connection with the submission of this Supplemental Information Disclosure Statement. In the event that there are any fees due and owing in connection with the filing of this Supplemental Information Disclosure Statement, including extension and petition fees, the Commissioner is hereby authorized to charge them to Deposit Account No. 501561.

Respectfully submitted,
